Guida al montaggio a cura di Kery

Prima di iniziare

Un pezzo è rotto o manca?

Non montare il prodotto. Scrivi a **aiuto@kery.it** con il numero d'ordine e una foto.

Cosa ti serve

- Cacciavite a croce e la chiave nel sacchetto
- Avvitatore (facoltativo): usa la forza più bassa
- Due persone: alcuni pezzi sono grandi
- Un tappeto o il cartone dei colli, per non graffiare

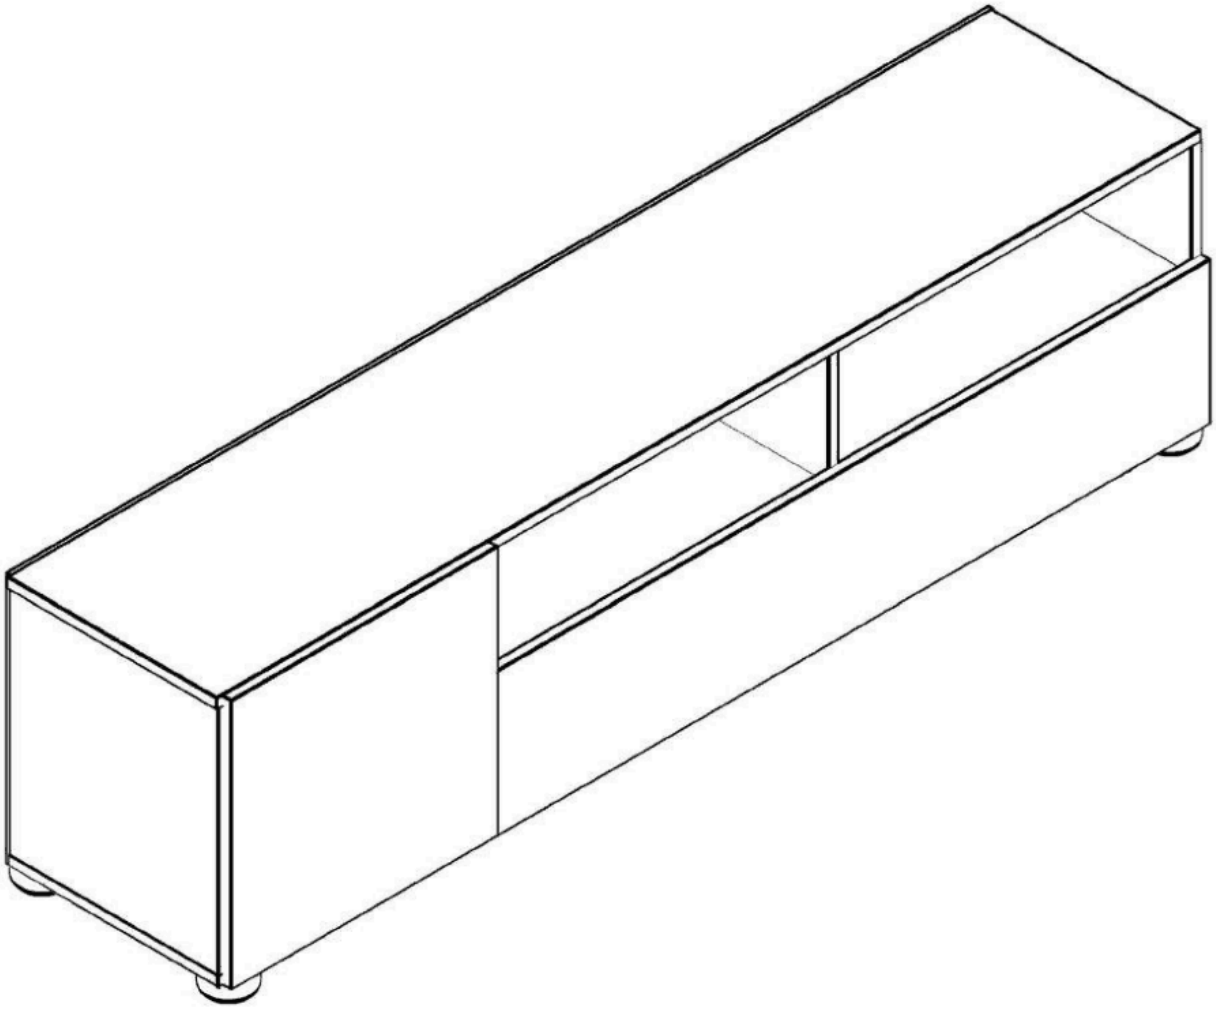

Come leggere le istruzioni

Nelle pagine che seguono trovi i disegni originali del produttore, in ordine. Segui i numeri dei passi. Le lettere indicano le viti e i pezzi dell'elenco.

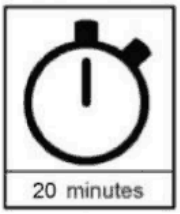

Per montare in sicurezza

Monta il prodotto solo da adulti, su un pavimento piano e libero. Usa guanti e occhiali da lavoro. Stringi le viti senza forzare. Tieni viti e sacchetti lontano dai bambini.
