Guida al montaggio a cura di Kery

Prima di iniziare

Un pezzo è rotto o manca?

Non montare il prodotto. Scrivi a **aiuto@kery.it** con il numero d'ordine e una foto.

Cosa ti arriva: 7 colli

Collo	Misure (cm)	Peso
1	96 × 70 × 13	**20 kg**
2	69 × 38 × 13	**8 kg**
3	66 × 12 × 10	**5 kg**
4	90 × 57 × 10	**14 kg**
5	69 × 38 × 13	**8 kg**
6	66 × 12 × 10	**5 kg**
7	84 × 75 × 11	**15 kg**

Apri tutti i colli e controlla i pezzi con l'elenco del produttore.

Cosa ti serve

- Cacciavite a croce e la chiave nel sacchetto
- Avvitatore (facoltativo): usa la forza più bassa
- Due persone: il collo più pesante è 20 kg
- Un tappeto o il cartone dei colli, per non graffiare

Come leggere le istruzioni

Nelle pagine che seguono trovi i disegni originali del produttore, in ordine. Segui i numeri dei passi. Le lettere indicano le viti e i pezzi dell'elenco.

Per montare in sicurezza

Monta il prodotto solo da adulti, su un pavimento piano e libero. Usa guanti e occhiali da lavoro. Stringi le viti senza forzare. Tieni viti e sacchetti lontano dai bambini.
